Pahokee Chamber Cites Its Many Accomplishments During Past Year

At the annual Pahokee Chamber of Commerce banquet Tuesday night the acting president, R. F. Hurt told the huge throng of the body's many accomplishments during the past year. Mr. Hurt took over the head job after Bill Benton resigned.

State Senator Jerry Thomas was the featured speaker for the evening and his discourse of Thomas Jefferson was warmly received by the more than 200 people present. State Representative Emmett Roberts was also an honored guest. The wives of the legislators were also at the head table.

Bill Moss was inducted into office as president by Judge James Tyson who acted as master of ceremonies. C. E. Lewis took over the spot as vice president and Marvin Crady was inducted as treasurer. Mrs. Duncan Padgett, who has done an outstanding job as secretary, will hold that position again this year.

New directors installed by Judge Tyson were: Windy Willis, Karl Bennett, Joey Alderman and Louis Collins.

Mr. Hurt pointed out that the chamber has 141 paid up members with 91-year-old R. J. Simonson being the oldest man on the paid up list.

Cattlemen To Hear Good Speakers And Serve Roast Beef

Next Wednesday night, October 20th, Palm Beach Cattlemen will hold a meeting at the Community Building in Canal Point and hear outstanding speakers. Before the talks are made a menu of roast beef will be served to all cattlemen present, according to Kent Price, associate county agent. The dinner will be served at 6:30 p. m.

"Beef Cattle Production Testing" will be discussed by Max Hammond, manager of W. H. Stuart Ranch of Bartow, Mr. Hammond is vice president of PRI.

Artificial insemination of beef cattle will be discussed by Ted Tressler of Armour Beef Cattle Improvement program. He will also tell of the program being carried on by Armour, which is of interest to all cattlemen.

Mr. Price is anxious that a large crowd be present for the meeting and is asking all cattlemen to bring their wives and ranch friends.

OFF TO FINLAND

Mrs. Russell Collins and sons, Tony and Keith left Thursday for Washington, D. C., following a visit with her parents. Mr. and Mrs. F. G. Gillis. Mrs. Collins will join her husband T-Sgt. Collins and travel by car to New York where they plan to leave on Oct. 19 for a three year tour of duty in Helsinki, Finland.

LAMPI BACK AT WORK

R. O. Lampi has resumed his teaching position at Pahokee High School following several days stay in Everglades Memorial Hospital.

Garden Club Will Meet On Thursday

The Canal Point Garden Club will meet Oct. 21 at the Canal Point Community Center with Mrs. A. Moron and Mrs. Ralph Duran hostesses and Mrs. Roland Kahle presenting the botany study on "Food Reservoirs."

Rotary District Governor To Visit Pahokee On Oct. 21

Nattie Taylor of Belle Glade, Rotary District Governor, will pay his official visit to the Pahokee club next Thursday at the regular weekly meeting to be held in the Lions club building at noon.

District Governor Taylor is well and favorably known to all members of the Pahokee club and his visit as an official one will be of interest all Pahokee Rotarians. He has visited the club many times as a neighboring Rotarian to make up his attendance but next Thursday it will be different—he will be the official representative of Rotary International.

At that time he will deliver his official message and admonish local Rotarians of their many obligations as members of the world's oldest civic organization. Committee chairmen will turn in their annual reports showing the government or what has been accomplished during the past 12 months of Rotary and what the club plans for the coming year. President Joe Thompson is anxious that a full membership be present for the meeting.

Baptist Deacons Annual Banquet

The third annual banquet for Canal Point Deacons and their wives was held at the Dixiana Restaurant, Belle Glade, Tuesday evening, Oct. 12 at 8 p. m. The newly elected Deacons and their wives were recognized and the retiring officers honored.

Rev. Lawrence Stewart and Mrs. Stewart presented each deacon and his wife with a copy of the book "In His Steps" by Charles Sheldon. The guests were welcomed by retiring chairman, G. T. Echols and prayer was offered by Alton Jones.

Rotating officers are J. G. Weeks, chairman, J. L. McCall, vice chairman, and A. W. Jones secretary. The new chairman of Deacons for the year is J. L. McCall with J. H. Bordeaux serving as vice chairman and G. T. Echols, secretary. Newly elected Deacons are Raymond G. Martin and Arnold J. Scruggs.

Mrs. Earl Maxson is a patient in Everglades Memorial Hospital undergoing tests.

One Item On Ballot Next Tuesday Is Plan For Pensions

Next Tuesday, October 19, is special election day in Pahokee and it is on that day that the citizens will say yes or no to the proposed pension plan for city workers. It is the only item on the ballot which will face the voters when they go to the polls.

It was pointed out that there is no civil service plan to cover workers and nothing to assist them after serving the city faithfully for years except their meagre social security benefits which don't amount to a great deal because of the low wages paid city employees.

Many citizens in Pahokee are heartily in favor of the pension plan for the city workers and are going to work diligently to see that the referendum passes on election day, October 19. "It is only fair and proper that Pahokee should have a pension plan," said one citizen-taxpayer in discussing the proposal.

The pension plan proposal will, in all probability, receive the endorsement of many more public spirited citizens as the days pass between now and election day.

Do You Pay \$431.40 In Taxes? If Not Don't Fuss Much

If you don't pay \$431.40 in state and county taxes you don't have much of a gripe coming about educating your child in school. That's exactly what it costs in the Palm Beach county school system to educate one child one year.

In many circles one hears a great deal of commendation about the present system of county and state education being carried out by school officials. Still in other circles you hear a lot of griping. And it seems strange that the major portion of the griping comes from someone who doesn't pay anyway near in taxes what it costs to educate his child. These same folks seem to think that the world owes them a living and that their child should be educated at the expense of his neighbor.

"I pay all the taxes assessed against me," said one citizen with two children in school. That total would pay school of what is costs the system to educate that citizen's two children one year.

A lot of people have no idea of the cost of educating their child in the public schools of Palm Beach county. The idea of this story is to enlighten them so that in the future when they have a gripe against the system they'll think twice before raising too much fuss.

VISIT IN NEW SMYRNA

Mr. and Mrs. Frank O'Connell spent the weekend in New Smyrna Beach as the guests of their daughter and family. Mr. and Mrs. Frank Sganga. Mrs. O'Connell, who is recuperating from a recent fall remained at her daughter's home and is expected to return at a later date.

New Doctor Joins Poteete And Hatton

A new addition was made to the staff at Poteete-Hatton clinic this week when Dr. George E. Walker, Birmingham, Ala., joined the staff. He along with his wife and three daughters live in Blanton-Unwin subdivision on Bacom Point Road. His will be general practice of medicine.

The new doctor is a graduate of the University of Alabama and served his internship at St. Mary's hospital in West Palm Beach. He has just recently returned from a year of service in Viet Nam.

Money Available By Lions Club To Purchase Glasses

There may be an underprivileged child in the Canal Point area that needs eye glasses and can't afford to pay for them. If this is the fact and the fact is meritorious, then the Canal Point Lions Club stands ready and able to make the purchase.

A small accumulation of cash is on hand with the local civic organization and members of the group are anxious to take care of any particular case where the need is apparent and the recipient wouldn't be able to make the purchase himself.

Through the years the organization has done an excellent work in the civic field, taking for its prime project, seeing that street lights are provided in Canal Point. There are dozens and dozens of folks who enjoy the benefit of street lights that don't donate a dime toward their cost. This fact doesn't prevent the Lions Club from raising the cash each year from a group of interested citizens and turning it over to the power company to cover street light costs.

Outstanding money-raising project of the club this year will be a turkey shoot scheduled for November 19, 20 and 22. Members plan to hold the shoot over the dike on the lower edge of the berm. It is hoped that many folks will participate in the upcoming event.

Rummage Sale Is Planned By Sorority

The home of Mrs. Joan Gamot was the scene of the Phi Gamma Mu sorority meeting with Miss Sue Clark as hostess. Mrs. Linda Stanley presented the program "Whom God has Joined". Members completed plans for a rummage sale, Saturday, Oct. 16 in front of the Showboat Theatre with Miss Clark in charge of arrangements.

A letter from Mrs. Nancy Meyer (member at large) of Miami was read. The October 29 social will be a Halloween party with Mrs. Carol McIntosh, social chairman in charge of arrangements.

BIRTHDAY DINNER

Mrs. Jack Bush was entertained with a surprise birthday dinner party, Saturday evening at the home of Mr. and Mrs. Oscar Dolrow. Assisting with arrangements, were Miss Becky Mackey and Mrs. D. B. Watkins.

One Used Hospital Is For Sale By The City Of Pahokee

Do you want to buy a hospital? Do you know somebody who has use for a slightly used medical institution that during the past several years has served its purpose as home base for the Northwestern Palm Beach County Public Hospital Board operating the Everglades Memorial Hospital in Pahokee.

A few short weeks ago the hospital staff moved bag and baggage from the old hospital into the brand-new million dollar medical facility on Bartfield Highway—leaving the old building standing alone and gaunt.

The hospital board is paying \$10,000 a year on the old bonds on the old hospital building and will continue to do so until the balance of between eighty and ninety thousand dollars has been completely wiped off the bond-holders books.

In the meantime it is the hope of all concerned—the city and the hospital board and the taxpayers in this district—that some way can be found to dispose of the old building, if not at a profit, at a figure that will come close to its value. So if you know anybody who needs a building like the one we're talking about, just get in touch with city hall.

Jupiter Plays On Lair Field Tonite With Pahokee 11

The football squad representing Jupiter high school, comes to Pahokee tonight to play on Lair Field against the Pahokee Blue Devils. The local aggregation, fresh from their win over Okeechobee last week, is standing in readiness for the visitors. A week from tonight the Naples team visits the Pahokee field.

Last Friday night on the local gridiron the Blue Devils were at their very best and soundly trounced their old rival—Okeechobee high—by the resounding score of 32 to 0. The Devils compiled 198 yards rushing and 114 yards passing during the evening's game.

Mike Sanders, 200 pound senior, scored on runs of 13, 10 and three yards. He ran only a couple of times in the second half.

The high school band was on the field as usual at game time but for the first time in more than 20 years that Robert O. Lampi has been director, he wasn't there. Mr. Lampi was in the the Pahokee hospital undergoing tests but this week is back on the job. During the football game his daughter, Miss Sandra Lampi, directed the band in his absence.

Palm Beach County is represented on the District Ten Welfare Board by Rev. Paul M. Cassen, Chairman, John F. Thomas, Jr., of West Palm Beach, Mrs. Wilda Tufts of Lantana, J. T. McMurray of Delray Beach, and Mrs. Marion Blech of Pahokee.

Delta Air Lines Asks Extension

MIAMI—Delta Air Lines has asked the Civil Aeronautics Board for authority to extend its operations from California to Hawaii.

The airline filed with its application a motion asking that the proceedings be consolidated with the present California-to-Hawaii investigation, a case which the courts have referred back to the CAB and which was originally started during the Eisenhower administration before Hawaii was admitted as the 50th state.

It approved, the new authority would not only permit Delta to offer single-plane service to Hawaii from its present terminal and intermediate cities in the Southwest, South and Southeast, but would permit flights from Caribbean points in Puerto Rico, Jamaica and Venezuela to Honolulu via New Orleans.

Fellowship Granted To Wayne Thompson

A \$4,000 fellowship for graduate study has been awarded Wayne C. Thompson, a graduate of Palm Beach Junior College and Florida State University. Thompson, whose permanent address is 212 Nottingham Blvd., West Palm Beach, will study for a Ph. D. in Psychology in the Department of Educational Psychology and Guidance at Yeshiva University's Perkauf Graduate School of Education. He is currently working as the assistant to the psychologist at the Association for the Help of Retarded Children in New York. He holds an A. A. degree from PBJC and a B. A. and M. A. from FSU.

Present active members are: Frank Alexander, Benny Bohren, Evelyn Bouchlaas, Gloria Chepens, Richard Henry, Mary Lowry, Barry Searer, Nancy Stravino and Ken Williams.

Vegetable Men In Salute To Green

MIAMI BEACH — The Florida Fruit and Vegetable Association saluted former state comptroller Ray Green by naming him recipient of the FFVA Distinguished Service Award during the association's 22nd annual convention here.

In making the award, Florida Agriculture Commissioner Doyle Conner called attention to the more than 30 years service Green rendered to the state and for the special interest he has taken in agriculture during that time.

Green received the award as the highlight of the FFVA annual banquet which concluded the convention. Appearing on the program with Green and Conner was Henry C. Coleman of Daytona Beach, immediate past president of the Florida State Chamber of Commerce, and Secretary of State Tom Adams. Coleman was toastmaster and Adams offered the invocation during the banquet.

August Profitable For Mackey Airlines

FORT LAUDERDALE—Joseph C. Mackey, president of Mackey Airlines has announced that the month of August was the most profitable in the company's history. Profits soared to almost five times the profit experienced in August of 1964.

A proposed merger between Mackey and Eastern was announced on July 29 and both companies plan to present this to their stockholders for approval on Oct. 15. The Civil Aeronautics Board starts hearings on the merger in mid-November.

Mackey now serves the Bahamas from more cities in the U. S. than any other airline.

Sea Lions Will Live On State's West Coast

ST. PETERSBURG—Two transplanted Californians have found the environment of Florida's West Coast so enjoyable they've taken steady jobs and plan to remain on a permanent basis.

The two Californians are Corky and Sam, two-year-old sea lions who were introduced as a new act at the Aquarium on St. Petersburg Beach recently. Just two months ago the two young sea lions were frolicking around Santa Barbara Island in the Pacific, and now they are displaying their talents at the St. Petersburg Beach tourist attraction.

Corky and Sam flew from California July 2 and immediately went into their training routine. They soon learned to perform and now have a variety of tricks which include balancing, retrieving objects, rolling over, climbing a ladder, saying their prayers and catching hoops about their necks.

"It doesn't take long to make a good Floridian out of a California native," says their trainer, Don McSheehy.

An Electric Water Heater gives precious peace of mind

...It's cleaner, faster, cool-to-the-touch...and cheaper, too!

Install it anywhere—and you can forget it! Needs no attention... completely automatic. No open flames, no constant-burning pilot light. No fumes or odors. Doesn't need vents of flues... so there's no heat wasted.

An Electric Water Heater (like a flameless Electric Range) is cheaper to buy... and cheaper to use, too, because the average price per residential kilowatt hour is actually 31% cheaper than just 10 years ago!

It's cheaper than ever to go ALL electric than to use it in combination with flame-

type fuels... and it adds to the joy of modern living.

See the modern Electric Water Heaters at your appliance dealer, plumbing or electrical contractor.

MRS. C. W. MIDDLETON SAYS:

"What I like most about my electric water heater is that it is very compact, clean, and so convenient. Doesn't need to be vented and there's no pilot light to go out."

MRS. BILLY TURBEVILLE SAYS:

"I've had experience with flame-type fuels but could never stand the odor and excessive heat. With my electric range (also electric water heater, clothes dryer, etc.) I am free of both these problems."

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you want automatically deducted every payday. (The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.)

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

Hall Of Fame Has Two Developers

JACKSONVILLE — Two of the state's pioneer developers and promoters have been named to the Florida Public Relations Association's Hall of Fame.

The organization's board of directors accepted the recommendations of its Hall of Fame Commission which named Henry Bradley Plant, who built a railroad to Tampa and Barron G. Collier, who developed what is now Collier County.

Plant has been dead 66 years and Collier died in 1939. They became the 14th and 15th members of the Hall of Fame, which is housed in the Florida State Chamber of Commerce building in Jacksonville.

Plant first came to Florida in 1852 and settled in Tampa the following year when he was placed in charge of an express company.

The pioneer transportation developer purchased the express business and between 1855 and 1879 acquired blocks of stock in railroads in Florida and Georgia. With associates he purchased the Atlantic & Gulf Railroad and organized the Savannah, Florida and Western Railroad. In 1883, Plant took control of the South Florida Railroad, completing a Tampa-Jacksonville line in 1884.

Collier, at the age of 26, had built a nationwide business in street car advertising. He came to Florida in 1911 and bought up land and timber companies until his holdings reached more than 900,000 acres in what was to become Collier County. Additional land purchased in Lee and Hendry counties pushed his holdings to more than one million acres.

In rapid time, Collier developed the Collier line, a fleet of ships, the Tamiami Trail Tours, and brought the Lee County Telephone Co. to the area. He later acquired four other telephone companies, putting them all under one service system.

Survivors of the two men will be honored with ceremonies in Jacksonville during the 27th annual convention of the Florida Public Relations Association.

Install Officers At Baptist Church

Sunday evening, Oct. 10, members of the Canal Point Baptist Church witnessed the installation of the officers of the church, Sunday School, Training Union and WMU. An impressive service of lights was used for the church installation with each officer lighting a candle from large candle on the pulpit symbolizing their bearing of the light for the new year.

J. G. Weeks, retiring chairman of the deacons, closed the service with a prayer of dedication. Sunday School officers and teachers were challenged to keep their chain strong throughout the year as each was given a chain link with the links forming a large chain. Offering a prayer of dedication was Perry Hall, Sunday School Superintendent.

The symbol of the cross was used in the installation of Training Union officers with each officer receiving a cross and a challenge to become soldiers of the cross and to hold high the cross throughout the year. The prayer of dedication was offered by Raymond Martin, Training Union director.

Installation of the WMU officers was symbolized by the praying hands with each officer receiving a hand and being charged to do her task, to be faithful—and to pray without ceasing. The prayer of dedication was offered by Mrs. R. T. Smith. The Lord's Supper

was observed at the close of the services.

Rev. Colvard Plans Trip to Nashville

Rev. Guthrie Colvard, Pastor of the First Baptist Church in Pahokee, will be in Nashville, Tennessee, the week of October 25 attending a special meeting at the Baptist Sunday School Board.

Mr. Colvard has been invited to participate in a General Training Union Administration Seminar. There are forty seven persons in the Seminar, and each one is attending on invitation from the Educational Division of the Training Union Department. There are three others from the State of Florida who will attend this Seminar.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
U.S. SAVINGS BONDS

Wroten Home Scene Of Party For Choir

A full moon, soft Hawaiian music and tropical plants indirectly lighted with colored spot lights transformed the back yard of Mr. and Mrs. Lee A. Wroten's home into a Hawaiian garden Friday night when members of the First Baptist Church Choir and their guests met for their annual banquet and installation of officers.

Most of the ladies present were attired in brightly colored dresses or Mu-Mu's and each guest was presented a lei by Misses Ginger Willis, Lodu Gray and Beverly Wilkinson.

The guests were seated on the ground in true Hawaiian fashion at low tables decorated with fern and colored lights. Assisting Mrs. Wroten with the serving was Mrs. Lee Shirley.

Following the dinner, Mrs. Guthrie Colvard, choir director, introduced a short program featuring a recitation by Miss Gray and a solo by Miss Beverly Wilkinson, entitled "Hawaiian Wedding Song."

Mrs. Colvard was assisted by Rev. Guthrie Colvard in presenting a skit entitled "Anyhow Paw Says So!" Group participation was called for in the playing of games and singing of songs.

Using the illustration of a symphony orchestra and the importance of harmony, Rev. Colvard, acting as installing officer charged the newly elected officers with the importance of their job. Remaining as choir director will be Mrs. Guthrie Colvard; president, Mrs. Guthrie Colvard; secretary, Miss Lodu Gray; librarian, Mrs. E. B. Gamble; social chairman, Mrs. James Batchelor and co-chairman, Mrs. Wendell Harris; section leaders, soprano, Mrs. Wiley Tillis; Alto, Mrs. Ron TerHaar; tenor, Kell Hood; bass, Bill Earnest; first organist, Miss Verlon Jones and first pianist, Miss Ginger Willis.

Others assisting Mrs. Wroten with dinner arrangements were Mrs. Lester Hand and Mrs. Ron TerHaar.

Public Relations Group New Face

ORLANDO—The Florida Public Relations Association's Award Competition recently underwent major surgery and emerged with an exciting new look featuring expanded categories of competition, revised judging criteria and an awards banquet.

The FPRA Awards Committee has approved ground rules for the 1965 competition which will encompass six categories of public relations competition. The new categories are Government, Institutions, Commercial, Financial, Agriculture and Media.

Recognized public relations authorities from throughout the country will serve as judges. They will also be among the speakers of the association's annual convention which will be held in Jacksonville, Dec. 2-4.

Plans have also been made to announce the winners of the 1965 competition at an awards banquet to be held during the convention. This marks the first time that a banquet has been slated to recognize Florida's outstanding public relations programs.

"The committee has attempted to incorporate into the annual awards competition the standards of professionalism and quality characteristic of the Florida Public Relations Association."

Art Director Gave Talk To Chapter

J. A. Collins, Pahokee High School art director gave a brief lecture on the fundamentals of drawing and asked each member of the XIAlpha Mu Chapter to copy a tree scene at the chapter meeting Thursday evening in the Pahokee Elementary School Library. Mrs. Mildred Schoepel, president, presided at the business session during which Mrs. Sarah Thomas was granted a year's leave of absence because of ill health.

A secret sister party was held at the end of the business session with arrangements by Mrs. Nina Hutton, secret sister chairman. Identities of those who have served as secret sisters during the past year were revealed and gifts were exchanged. Names were drawn for the new secret sisters for the year.

APPRECIATION

My family and I wish to express our sincere thanks and appreciation for the many lovely cards, flowers, calls and prayers during our recent bereavement at the loss of our mother, Mrs. Kate Hudson. Mrs. O. H. Sheppard and family.

Albert Fremd of Canal Point left Tuesday morning for Meridian, Miss. where he will spend several days with his son, Lt. Com. and Mrs. Harry Fremd and family.

Carnival Planned Pahokee School Saturday, Oct. 30th

The Pahokee Parent-Teacher Association, at the October meeting in the high school auditorium Monday night, voted to sponsor a Halloween Carnival Saturday night, Oct. 30 for elementary school pupils, first through sixth grades, and preschool-age children. Wayne Burdeshaw is general chairman in charge of arrangements for the carnival. Costumes will be judged and prizes awarded for outstanding costumes in various classifications for each grade, details to be announced later.

Students of the junior-senior high school, seventh through twelfth grades, will not participate in the carnival as has been the custom in the past. Instead, there will be a Halloween masquerade ball for high school students and their guests, with PTA to furnish the supervised entertainment.

The resolution to conduct regular PTA meetings only on alternate months during the current school year, which was introduced at the September meeting, was again introduced at the Monday night meeting. In accordance with PTA bylaws, this resolution may be voted on when introduced for the third time at the November meeting. If it is passed by a majority vote at the November meeting there will be no regular Pahokee PTA meetings in December, February and April during the current school year, the last meeting of the school year to be in May. Mrs. Ralph Johnson, membership chairman, reported a paid-up membership of more than 215.

The monthly attendance awards went to Mrs. Dena Peel's Second Grade group at the elementary school and to Mrs. Gladys Harrington's Seventh Grade group at junior high school.

Kyle Scott, program chairman, introduced Judge Emery Newell of the Palm Beach County Juvenile and Domestic Relations Court, who told of the work of his court and explained why the names of juvenile law offenders are withheld from news media.

Rev. Guthrie Colvard, pastor of the Pahokee First Baptist Church, gave the opening devotional.

Flow Of Tourists Perked Up By State Development Com.

TELLAHASSEE — The people of Florida have an easy job when it comes to selling the Sunshine State to tourists. Florida has more to offer than any other state with its many miles of bright sandy beaches, historical background, interesting attractions and natural beauty.

"The Florida Development Commission holds the main responsibility for keeping the flow of tourists to the state," commented Roger Stake, commission director, recently, "but it alone cannot do the best job without the complete cooperation of the chambers of commerce, the attraction proprietors and the people themselves."

Every one in the state depends on the tourists to a certain extent because they pour over \$2.5 billion into the economy annually, Stake explained. Taxes on these dollars build schools, roads and other necessary items that the citizens depend on from the tax dollar.

"Tourism is growing in Florida. Money for vacations has increased throughout the country and it is the responsibility of every Florida citizen to do everything he can to encourage more people to visit the Sunshine State," Stake concluded. "It is also important to treat him with respect after he arrives because the best customer in any business is the repeat customer."

Swamp Buggy Races All Set For Naples

NAPLES — The annual Swamp Buggy Races, a unique contest in the field of sports, will be staged Sunday, Oct. 31, on the Mile 'o Mud track at this Southwest Florida resort city.

It will be the 11th running of the races which will be preceded on Friday and Saturday, Oct. 29 and 30, by the selection of a Swamp Buggy Queen, a coronation ball, a parade through the streets of Naples and other carnival trappings.

This "Mardi Gras of Mud," as it has been dubbed, has to be seen to be believed, as do the swamp buggies themselves. The ungainly vehicles are devised to penetrate the Everglades and utilize powerful motors and oversized tires to splash through the gooey terrain.

Baptist Revival Planned Pahokee Starting Oct. 31st

The revival services at the First Baptist Church of Pahokee will begin on Sunday, October 31. Dr. John Howell, Pastor of the First Baptist Church of DeLand, will be the preacher for these services. The DeLand Church is the College church to many of the students at Stetson University. The First Church of Pahokee has four students at Stetson at this time.

Dr. Howell is recognized as one of the most effective young ministers in the Florida Baptist Convention, and the pastor of the First Baptist Church of Pahokee is very pleased that he is to be in Pahokee for these revival services.

High attendance day in the Sunday School has been set for October 31 with a goal of 365. There will be special music at each of the services, and all four choirs of the First Baptist Church will be taking part in this part of the revival.

Orange Juice Ad On Automobile Plates

MIAMI BEACH — The first of thousands of automobile plates promoting Florida "orange juice breaks" put in an appearance during the 22nd annual convention of the Florida Fruit and Vegetable Association in Miami Beach.

State School Head From Pinellas Co., Takes On New Job

Florida's new State Superintendent of Public Instruction is 50-year-old Floyd T. Christian, who served for the past 17 years as County Superintendent of Pinellas County.

Christian, a life-long school man, took office October 1 and took the formal Oath of Office on Monday, October 4. He was named to the top school post by Governor Haydon Burns, to succeed State School Supt. Thomas D. Bailey who retired for health and business reasons.

The new state school chief is the 16th State Superintendent of Public Instruction for Florida.

Christian was elected, Pinellas County Superintendent of Public Instruction in 1948, the same year the man he succeeds, Tom Bailey, won office as State Superintendent. He was re-elected in 1962 and again in 1964.

In 1957, when the county received authorization to appoint its school chief, he became the first appointed superintendent in Florida. He was reappointed in 1960, and again in 1963.

The school system he headed in Pinellas County was named in 1960 by the American Association of School Administrators and the National School Board Association as one of the 20 outstanding systems in the nation.

Christian served as President of the Florida Association of County Superintendents in 1954 and as

In Florida,
after golf
beer's the one...
for good taste,
good fun

After a hard-played 18 holes, it's good to settle down on a soft chair in the club house and add up the score with friends. What better time for the drink that scores with almost every golfer—cool, thirst-quenching beer? Yes, beer's great to relax with, great for refreshment, great for taste. So whatever your sport—boating or baseball—swimming or tennis—relax afterwards with the zestful taste of beer.

UNITED STATES BREWERS ASSOCIATION, INC.
P. O. BOX 273, WINTER PARK, FLORIDA

President of the Florida Education Association in 1955. That same year, Governor Collins named him a member of the Florida Educational Television Commission and in 1965 Governor Burns named him as one of the first appointees to the newly-organized Boards of Regents.

He is a graduate of the University of Florida, where he starred as an athlete and was named to Florida Blue Key. He holds AB and

MA degrees from the Gainesville university and has done advanced work at Peabody College and Columbia University.

Christian is married to the former Margaret Littlejohn of Clearwater. The Christians have three children, Mrs. Claude E. Leiby of St. Petersburg, Floyd Thomas Christian, Jr., a student at the University of Florida, and Robert Rick Christian, 14, a junior high school student.
